

The Butterfly Chronicles - January 2026

Announcements

Welcome & Farewell Friends

With Great pleasure, we would like to welcome our new friends Mia, Elayne, Authur, Rhett, Ashston, Wren, Landon, & Hayley. Welcome to Butterfly Academy.

Happy New Year!

Butterfly Academy would like to wish everyone a Happy New Year! May all of your resolutions and goals come true this 2026!

Weather Changes

With the colder weather, please make sure your child has an appropriate complete change of clothes. Please make sure your child's jacket/coat is labeled with their first name and last name initial.

Tuition Increase/Material Fee

To avoid raising tuition rates in 2026, we will begin implementing our annual supply fee of \$75. (Currently Enrolled Families ONLY)

Although this fee has always been listed in our handbook, we have not enforced this charge in recent years due to annual tuition increases.

This time we want to hold tuition steady, so each child will be charged a one-time material and supply fee of \$75. Fees will be charged to accounts February 1, 2026.

January 2, 2026 - Day After New Year

January 19, 2026 - Dr. MLK Birthday

February 16, 2026 - President's Day

Snowflakes Pretzel Pops

Ingredients

- bright white candy melts
- mini pretzels
- white sprinkles
- lollipop sticks
- disposable decorating bag
- EZ Thins (optional)

Directions:

Line a baking tray with wax paper and set aside. In a microwave-safe bowl, pour 1 cup of candy melts (and a sprinkle of EZ Thins, if using). Microwave at 70 percent power for 90 seconds. Stir and continue to microwave until the candy melts are mostly melted. Stir, using the residual heat to completely melt the candy. Drop a pretzel in the melted candy, and remove resting on a fork. Bang the fork on the side of the bowl to remove excess chocolate and place on the baking tray. Sprinkle with the white sprinkles. Candy melts set quickly, so add sprinkles every two or three pretzels. One cup of candy melts should cover about 20 pretzels, or 5 finished snowflakes. Let set well.
